1. Scope

This user manual provides step by step procedure how to update the map on the touchscreen navigation device.

2. Preparations

1. Prepare an empty SD card / USB (at least 2GB).
2. Computer with Mango3 pre-installed. (OS on the laptop: WinXP、Win7、 Win8) 。
3. Internet connection.

3. First Step - Download new map to SD card (on the PC)

1. Download the latest map from the following website:

<http://www.polstargps.com/mango3/>

Click here to see how to find your model name.

Basic operation steps		
Prerequisite	Demo Video	A SD card with 2G space
step 1 (at computer)	Watch video	Download the map of your navigator to the SD card
step 2 (at navigator)	Watch video	Insert the SD card to your navigator to collect its information
step 3 (at computer)	Watch video	Execute Mango3 to download license for the new map in the SD card
step 4 (at navigator)	Watch video	Insert the SD card to your navigator to install new map

Please download map data according to your model.

Region	Model	Map Download	Map Version	Map Source
Brazil	EL-828C-MMC EL-828C-MMC1	DOWNLOAD NOW	2015Q3	NAVTEQ.010730
GCC 8 countries	EL-828-ALJ	DOWNLOAD NOW	2015Q3	NAVTEQ.010730
GCC 8 countries	EL-828C-GCC8 EL-829C-GCC8	DOWNLOAD NOW	2015Q3	NAVTEQ.010730
Lebanon	EL-828-VW02	DOWNLOAD NOW	2013Q3	NAVTEQ.010530
Vietnam	EL-828-Vietnam	DOWNLOAD NOW	2015Q3	NAVTEQ.010730
Indonesia	EL-828C-Indonesia	DOWNLOAD NOW	2015/06/25	MP.010340

2. After downloading, there will be a *.rar file.

3. Please unzip the map. After unzipping, please save all the folders and file (shown as below) into the SD card.

4. Second Step - Install new map (on the car device)

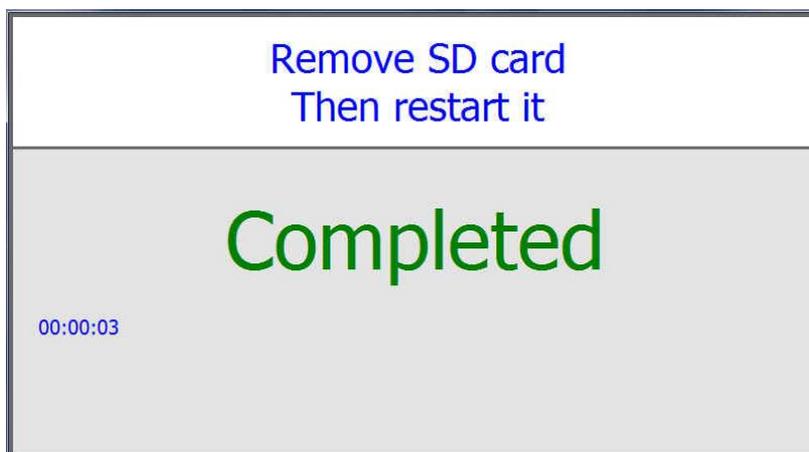

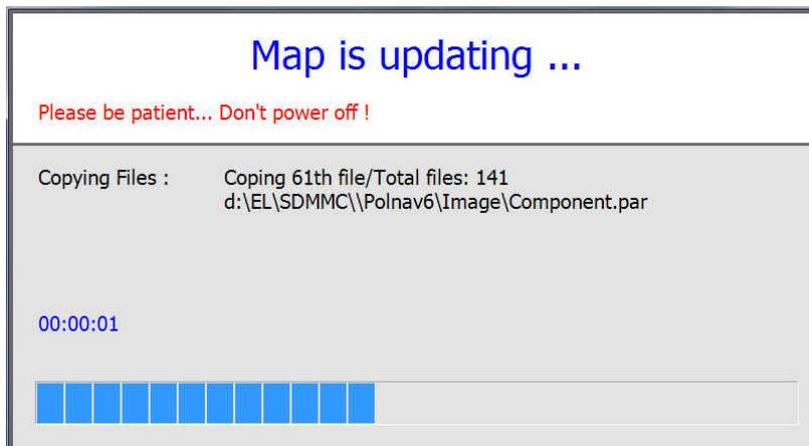

1. Take the SD card out of the PC and go to the Car device. Put the SD Card (**map pre-installed**) into the navigator device, then restart the navigator device. (Turn off car engine, then turn on).

2. After restart the car device and updating the new map, there will be three Status:

Status1. The Map is out-of-date.

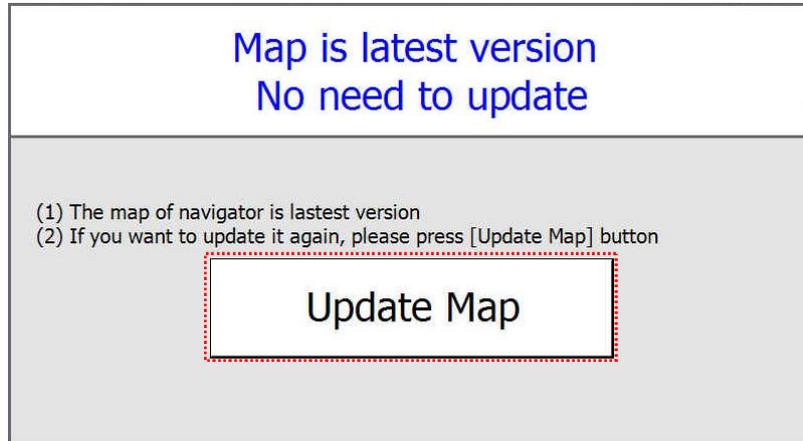

If the map is out-of date, press **[Start]** button to upgrade the map.

Status2. The map is already the latest one.

The map installed in your car device is already the latest one, you don't have to update the map.

If you still want to update it again, just press **[Update Map]** button.

Status3. The map is out-of-date and the license is expired.

If the license is expired, please press **[Close]**. Take the SD card out of the car device.

Go to the PC to continue the 3rd Step - Install Mango3 and get license key. (See details in Page6)

5. Third Step - Install Mango3 and get license key (on the PC)

Preparations:

- A. Install the update tool - Mango3 on the PC.
- B. The internet is ready.
- C. **Must finish the 1st step & 2nd step (Page2 to 5), then go on this step (3rd step).**
- D. Credit Card. (Visa, Master, or JCB)

1. Download the upgrade tool – Mango3 from the website or the following link:

http://www.polstargps.net/fixture/Flash/Mango4/mango3_Setup.exe
